800-551-5691

[csyeditorial@tds.net](mailto:csyeditorial@tds.net)

Publisher of "Countryside & Small Stock Journal", "Sheep!", "Dairy Goat Journal," and "Backyard Poultry"

### **Dairyland Power Cooperative and Its Member-Owned Cooperatives**

Jump River Electric Cooperative & Price Electric

Cooperative

715-532-5524

[jbingham@jrec.net](mailto:jbingham@jrec.net)

Light bulb display: incandescent vs. CFL's. Info on Energy Sense program including Energy Star Rebate, Evergreen Renewable Energy & our water heater programs, Energy Saving Tips, a display of Electric Heat.

Price will have info on Focus on Energy. Other info from Dairyland's member-owned cooperatives.

### **Dirks Heating and Cooling, Inc.**

Gerry Winch  
715-537-3990

[Gerry@dirksheating.com](mailto:Gerry@dirksheating.com)

Stop by and see and feel a real live demonstration on geothermal. We will have a working unit on display. Also on display are IAQ Products and Literature.

### **Dostal Geothermal Systems**

Dennis Dostal  
715-859-6699

[dostlgeo@citizens-tel.net](mailto:dostlgeo@citizens-tel.net)

An Econar dealer specializing in installation and repair of geothermal heat pumps.

### **Duncan Creek Store**

Jim Jorgensen  
866-348-7333

[duncancreekfhs@bloomer.net](mailto:duncancreekfhs@bloomer.net)

[duncancreekstore.com](http://duncancreekstore.com)

Duncan Creek Store LLC is your source for renewable resource home and business heating appliances. We offer Cumerland, Enviro, Hudson River, Breckwell, Bosca, and Bixby pellet and multi-fuel stoves as well as Emphyre and Wood Doctor outdoor wood boilers, including new "clean burn" units that qualify for the \$1500 Tax Credit. We pride ourselves in providing customers with quality service and individual attention.

### **Earth Glow Masonry, LLC**

Xander Waters  
xander@earthglowmasonry.com

[www.earthglowmasonry.com](http://www.earthglowmasonry.com)

Building masonry heaters and wood-fired bake ovens from scratch or with modular units.

### **Environmental Law and Policy Center**

Alison Horn and Kathrine Dixon  
608-442-6998

[elpcinfo@elpc.org](mailto:elpcinfo@elpc.org)

ELPC is the Midwest's leading public interest environmental legal advocacy and eco-business innovation organization, leading campaigns to promote

clean energy development, innovative transportation approaches ( including a mid-west high-speed rail network), and preservation of critical natural resources that improve quality of life in our communities.

### **Jim and Jan Erdman**

715-235-8941

[Jiminwis@yahoo.com](mailto:Jiminwis@yahoo.com)

Jim and Jan Erdman began using renewable energy over 30 years ago by installing a wind generator at their off-grid super-insulated home. They also try to grow most of the food they eat and like to share what they have learned. Jim also does renewable energy consulting.

### **Farm to Community Alliance**

Aaron Eddens

[aaron.eddens@westernalum.org](mailto:aaron.eddens@westernalum.org)

Farm to Community Alliance - Create a community-based network that facilitates the exchange of locally grown food and other locally made products

### **First Affirmative Financial Network, LLC**

888-281-3339

[georgette@firstaffirmative.com](mailto:georgette@firstaffirmative.com)

Financial planning and sustainable, responsible investment solutions for individuals and institutions for over 24 years. As an experienced fiduciary and social activist I am committed to offering prudent advice with a focus on my clients' financial and social goals.

### **Focus on Energy**

800-762-7077

[focusinfo@focusenergy.com](mailto:focusinfo@focusenergy.com)

Focus on Energy works with eligible Wisconsin residents & businesses to install cost effective energy efficiency & renewable energy projects. Focus information, resources, and financial incentives help to implement projects that otherwise would not be completed, or to complete projects sooner than scheduled.

### **Foragers Harvest**

Sam Thayer

715-354-3509

[sam@foragersharvest.com](mailto:sam@foragersharvest.com)

[www.foragersharvest.com](http://www.foragersharvest.com)

A nationally renowned authority on edible wild plants who has taught foraging workshops for more than a

decade, Sam is the author of the award-winning book "The Forager's Harvest: A Guide to Identifying, Harvesting, and Preparing Edible Wild Plants." He resides in Rusk Co. and eats wild food on a daily basis.

#### **Full Circle Natural Awareness and Learning Center**

Cader Olive

715-322-4349

[livefreeforall@hotmail.com](mailto:livefreeforall@hotmail.com)

Full Circle is a non-profit supporting everyone making positive, lasting changes towards a more sustainable life. Our offerings include classes in passive solar, organic seedsaving gardening, using local wild resources, connecting with nature, and building local community. We are developing a directory of local people offering their skills and knowledge to others.

#### **Hill Construction**

715-558-2964

[Jeremy@hill-construction.net](mailto:Jeremy@hill-construction.net)

Hill construction offers custom homes and remodeling, and specializes in green building. We help our clients integrate passive solar design, green and local materials, and renewable energy.

#### **Hunt Hill Audubon Sanctuary**

715-635-6543

[info@hunthill.org](mailto:info@hunthill.org)

Hunt Hill is an environmental learning center and nature sanctuary located halfway between Spooner and Rice Lake. We have over 400 acres of prairie, bog, deep woods, lakes, and streams—with 10 miles of hiking trails, nature displays, dormitory space to sleep up to 85, and dining facilities for our camp programs.

#### **Jacobson Enterprises**

Lowell Jacobson

715-568-4426

[lkjacobson@bloomer.net](mailto:lkjacobson@bloomer.net)

We locally produce and market earthworm casting that is a sustainable, natural organic fertilizer. We also grow and market composting worms.

#### **Lac Courte Oreilles Energy Project**

Denise Johnson

715 523-9913

[LCOEnergy@yahoo.com](mailto:LCOEnergy@yahoo.com)

Information on tribal energy audit and wind demos.

#### **Lac Courte Oreilles Ojibwa Community College**

Steve Kozak

715-634-4790 ext. 121

[skozak@lco.edu](mailto:skozak@lco.edu)

#### **Sally Lacquiee - Massage Therapist**

715-490-1264

Therapeutic massage to relax, refresh, and renew your body and spirit. Offering a choice of Swedish massage or reflexology/foot massage.

#### **Legacy Solar**

Kris Schmid

715-635-4295

[solman@legacysolar.com](mailto:solman@legacysolar.com)

Legacy solar is a full-service solar energy installer. They provide solar electric systems, solar domestic water heating systems, and solar hot water space heating systems to Northwestern Wisconsin.

#### **Log and Stone, LLC**

Jeff Kuczmariski

[thelogbuildingco@frontiernet.net](mailto:thelogbuildingco@frontiernet.net)

715-282-5386

715-367-0231

Building masonry heaters and wood-fired bake ovens from scratch or with modular units.

#### **Next Step Energy, LLC**

**Zeus Stark**

715-830-9337

[info@nextstepenergy.com](mailto:info@nextstepenergy.com)

We design and install custom space heating, domestic hot water and electric power systems, with a focus on energy efficiency, solar, and wind.

#### **Northwest Wisconsin Regional Food Network**

##### **Red Cedar Sustainable Communities**

Tracey Mofle

[tmofle@yahoo.com](mailto:tmofle@yahoo.com)

The Northwest Wisconsin Regional Food Network is a grassroots group of local farmers, volunteers and staff working together to create a regional food system

connecting consumers back to the land, providing locally produced, fresh, nutritious foods to all segments of our community while preserving the region's environment and sustaining the local economy for years to come

### **Pinehurst Inn at Pikes Creek**

Steve Sandstrom  
715-779-3676

[ssandstrom@centurytel.net](mailto:ssandstrom@centurytel.net)

Pinehurst Inn at Pikes Creek is an eight room bed & breakfast in Bayfield, WI and is recognized as being one of the "Top Ten" Eco-friendly Inns in the US.

### **Rusk County Community Foundation**

715-532-0772  
715-532-5590

[info@ruskfoundation.org](mailto:info@ruskfoundation.org)

Rusk County Community Foundation—Bringing together people who care with causes that matter.

### **Rusk County Recycling**

Charmaine Johnson  
715-532-2167

[charmaine@ruskcountywi.us](mailto:charmaine@ruskcountywi.us)

Learn what items are recyclable in Rusk County and how to reduce your waste. The Recycling Office collects fluorescent bulbs (nominal fee), drycell and rechargeable batteries, mercury thermometers, and ink-jet and laser cartridges year round. Coordinates annual tire, pharmaceutical, and hazardous waste collection.

### **Sign Lines**

Jason Faunce  
715-357-3495

[jasonfaunce@yahoo.com](mailto:jasonfaunce@yahoo.com)

Sign Lines provides classes, talks, and wilderness expeditions to promote a lasting, immediate and mutually beneficial relationship between ourselves and the land.

### **Solar Oven Society**

Mike Port  
612-623-4700

[sos@solarovens.org](mailto:sos@solarovens.org)

### **Stone Age Replicas**

Arthur Boehm  
715-532-0139

[stoneagereplicas@yahoo.com](mailto:stoneagereplicas@yahoo.com)

Over 30 years experience in flint knapping and primitive skills. Demonstrations of primitive skills at schools and various events. Flint knapping workshops.

### **Sun Creations Group**

Peter Brockhaus & Julie Mayrose  
715-767-5740

715-507-0380

[mrsun@pcpros.net](mailto:mrsun@pcpros.net)

Info on sustainable architectural design and construction, re-using existing buildings for energy efficiency, easy to make window insulators

### **Sustainable Rusk**

Al Manson, Dale Daggett, Erin Webster, Cader Olive  
715-532-4983

[www.sustainablerusk.org](http://www.sustainablerusk.org)

A non-profit grassroots group promoting sustainable community and the Natural Step Framework.

### **TigerTech, LLC**

David Slowinski  
715-723-7647

[info@tigertech.us](mailto:info@tigertech.us)

Biomass pellet mills to make your own fuel pellets.

### **United Plant Savers-WI, Center for Healing Arts Herb & Eco School, Herbalists Without Borders-WI Chapter**

Linda Schmit & Gigi Stafne  
715-651-0284

[adventurebotanica@gmail.com](mailto:adventurebotanica@gmail.com)

Botanical medicine, native plants, ethnobotany & herbal medicine information provided by the above organizations. Local-regional handcrafted botanical products available for sale at the fair by our non-profits

### **University of Wisconsin—Eau Claire**

Crispin Pierce  
715-836-5589

[piercech@uwec.edu](mailto:piercech@uwec.edu)

Information about the Environmental Public Health Major at UW-Eau Claire.
